志

Heir to the Tiger

There are those who would doubt my lineage and ability.
Yet it is through my power that I will show my worthiness
to lead the Takeda.

Too Mighty

The Takeda Army is known to be unbeatable.
I can allow no dishonor to come to its name.

New Government

I shall cast aside the old Takeda and let it be born again anew.
All to win new wars in a new age.

flashy effect... or maybe too flashy...

I recommend for the fun !. All details whether important or minute make the management aspects first class.. Love this game. Just got this last night, and dug in today for the first time. Super impressed with this title. Does not give the impression of Early Access at all, the game is smooth, slick and fast. I highly recommend this to any fan of fast paced RTS games, perfectly hits the balance of challenging gameplay possibilities with very easy out of the gate play!

Nice little treat, get it while it's discounted! Can't wait to watch it grow!!. Offers nothing new or interesting. Just a motorbike game where you can do wheelies to go faster. It also stutters even though my pc can run Arma 3 smoothly. It's a big fat meh for me.. The game runs fine, and i have not found any bugs so far. But this game involves a lot of blood and bleeding for those that care.. Unfinished, unplayable and abandoned.. Stanby is a very fast-paced and stylish precision platformer. If you like a challenge then this game will satisfy your itch for hard as nails platforming. You will die many times trying to beat a level but will be filled with satisfaction when you fianlly pull off the right combination of moves to finally put that level away.

needs a bit of polish, but pretty fun. It's very cool game. Enjoyed.. It is goo for about a week, however it gets very repetitive. I find the first level impossible. The first game is much better. Good work though.. Some levels are tough... how tough? It will actually change the "Quit" menu entry to "Rage quit" after you've died a lot of times.

Amazing game. Extreme replayability.. PRICE / QUALITY

- "IT'S A TRAP!" (Admiral Ackbar)
- "That'll do, pig. That'll do." (James Cromwell)
- "SHUT UP AND TAKE MY MONEY!" (Philip J. Fry)
